

Flexible Spending Account

Getting real about your healthcare savings starts here

You made a great decision by enrolling in a flexible spending account (FSA)! Now that you've gotten the difficult decisions out of the way, use this packet to learn how to best take advantage of your account. Let's get started!

HOW YOUR FSA WORKS

Your FSA is a spending account that can be used to pay for a variety of healthcare expenses.

TWO GREAT PERKS COME WITH YOUR FSA:

- 1** You will have access to your entire election on the first day of the plan year.
- 2** The funds are taken out of your paycheck "pre-tax" (meaning they are subtracted from your gross earnings before taxes) throughout the course of the year. That means you are increasing your take-home pay simply by participating!

WHAT CAN I SPEND MY FSA FUNDS ON?

The IRS determines what expenses are eligible under an FSA. Below are some examples of common eligible expenses.

Copays, deductibles, and other payments you are responsible for under your health plan.

Routine exams, dental care, prescription drugs, eye care, and hearing aids.

Prescription glasses and sunglasses.

Certain over-the-counter (OTC) healthcare expenses such as Band-aids, medicine, First Aid supplies, etc. **Note:** OTC medicines require a doctor's prescription to be eligible.

Diabetic equipment and supplies, durable medical equipment, and qualified medical products or services provided by a doctor.

HOW TO GET REIMBURSED FOR OUT-OF-POCKET EXPENSES

As you begin to use your account, it's important to understand how to submit a request for reimbursement or payment to a provider.

Two most common reasons for requesting a reimbursement or payment:

- 1 You paid an eligible expense out of pocket.
- 2 To request a payment be made directly to a provider

Your MyAmeriflex Debit Mastercard is the quickest and easiest way to access your account funds. But if you can't use your card, getting reimbursed is quick and painless.

STEP 1: Login in to your MyAmeriflex account online or through the MyAmeriflex App

STEP 2: Click the File a Claim button

STEP 3: Fill out all of the required fields and attach documentation

STEP 4: If requesting to pay a provider, enter the provider's information, including address, and select "Pay Provider." Once processed, the reimbursement will be sent directly to the provider. You can also save the provider for any future reimbursements.

STEP 5: Click submit

You can view the status of a pending reimbursement anytime through MyAmeriflex or the MyAmeriflex App. If any further action is needed before the reimbursement is processed, you will receive a message through your account.

REQUEST FOR ADDITIONAL DOCUMENTATION

Due to the tax-advantaged nature of your account, the IRS has guidelines in place to ensure that purchases made with the account are for eligible medical, dental, or vision expenses. There are instances when additional documentation—like itemized receipts—are needed to verify the eligibility of your expenses.

HERE'S HOW IT WORKS:

STEP 1: You make a payment with your MyAmeriflex Debit Mastercard. This could be a copay for a doctor's visit, prescription, etc. It's important to note that when you swipe your card, the provider is paid.

STEP 2: We will attempt to auto-verify the transaction instantly using stored copays, stored recurring expense values, electronic data feeds, or Inventory Information Approval Systems (IIAS).

STEP 3: If the transaction can't be auto-verified at the point of purchase, this is normally because the merchant's (e.g. hospital) payment terminal can't distinguish if the transaction was for surgery (eligible) or flowers from the hospital gift store (not eligible). You'll receive a notification if we need more information about the expense, such as an itemized receipt or insurance explanation of benefits (EOB). In some cases, a letter of medical necessity may be required for certain eligible expenses (e.g. therapy).

STEP 4: You can login to MyAmeriflex or use the MyAmeriflex App to upload the itemized receipt or EOB. You can also mail, fax, or email a manual claim form, documentation, and the request for documentation letter to:
